3. MESSAGES

3.1 ALUMNI

Dr. Shweta Chawla (2010 B. Pharm.)

PhD (Tech) (Drug Delivery and Nanotechnology)

Institute of Chemical Technology, Mumbai

It is my extreme privilege to write about my alumni institute SIPS.

I thank the institute and the faculty for all the efforts put in by them, along with the perseverance and right moves have paid off finally. All my batch mates are doing well in their respective jobs which reflect the quality of the students the institute has produced “

SIPS was a second home to me. A place where I developed my overall personality and confidence to face the outer world rather than just acquiring knowledge. Right from day 1, I experienced a positive aura created by the faculty members which constantly kept the motivation and interest to gain more knowledge within the students. The teachers helped us to identify problems and solve them intuitively with research skills and team work.

I still get nostalgic with the fond memories of cultural activities and picnics organized by the institute along with support given for the participation in national and international conferences.

I vouch that SIPS was and will be the best institute for any newcomer to start his/ her carrier in the field of pharmaceuticals

I am feeling privilege to write message for SIPS E-Newsletter (Avalokan).

3.2 PARENT

Dr. Mahadev O. Lohana

Director & Consultant Physician

Dr. Mahadev's Hospital Kutchh

Education is the basic right of everyone. It is the first step to go ahead in the life.

“Today is a new day. What can we do with it?”

The trials of yesterday are behind you. A new school day dawns, and with it come possibilities. Chances for success, empathy, and discovery are abundant. Inspiration is everywhere you look. The opportunity to be better than you were yesterday is right here, right now.

“Success means caring you’ve got to care more than anyone else does.”

“When you want to succeed as badly as you want to breathe, then you’ll be successful.

“When we pursue something that means more to us than anything, we’ll care more than most others do. That’s just fine. Those ones who do care with us will appear at the right time to champion our cause in the right way. Believe it as the truth, and the truth it shall become.

Our students should be encouraged to care about learning with the exact same passion. Learning is personal to each one of us. As lifelong learners we decide what, when and how we learn. If we can plant the desire for success in them early on, then they’ll be unstoppable...

Pursuing success will be hard, it will be exhausting, and sometimes it will be lonely, but it will be worth it. If you want it bad enough, you’ll never give up though the worst goes before you. Even teachers are always learning. That's the shared journey that connects teachers to their students.

Recently, I went through “AVALOKAN” E- Newsletter, which highlighted the different activities. It is very heart touching that “Saraswati Institute of Pharmaceutical Sciences” is spreading the wings of knowledge along with extra curriculum activities and also encouraging all the students. I must appreciate to all the Students, Faculties, Principal and whole Management team, and my best wishes to all the students for their bright, colorful, successful and fruitful future.

3.3 INDUSTRIAL PERSON

Dr. Jaimin Vasa

Immediate Past President,

Chamber of Commerce & Industry

President Gujarat Chemical Association

President Gujarat Pharmaceutical Association

Dear Readers,

I congratulate the team of SIPS for the successful release of the third edition of "Avalokan". It is indeed admirable that within a short time, the institute has succeeded in organizing multifarious activities focused on overall development of students. Since its establishment in 2006, the institute has not only focused on academics, but has also laid equal focus on extracurricular, social initiatives and research.

The future of industrial growth of the nation significantly depends on the growth and development of the Pharmaceuticals sector. Gujarat has a huge opportunity in this sector as it is the pioneer state contributing significantly to the nation's total pharmaceutical output. Further, the sector is bound to grow exponentially in near future in view of the increased likelihood of epidemics and pandemics similar to the current COVID-19 crisis which we all are facing. It is therefore necessary that we prepare ourselves for the future opportunity by enhancing the skills of our students and creating a larger group of trained and qualified workforce to adequately cater to increased demand. I am glad to know that SIPS is already working in this direction and is rapidly working towards becoming the premier center of academic and technological excellence in the pharmaceutical education.

I congratulate the SIPS Team and convey my best wishes to all the students, faculty and other members affiliated to the institute.

"Mujhe yaad he MAA"

Duniya ka koi bhi insaan jiska karj na chuka sake wo he "MAA"

Mere liye meri sabse badi takat he meri "Maa"

Mujhe yaad he tumne mere or bhai ke liye kitna sacrifice kiya he,

Apne sapno ko sine me dabakar apne bacchon ke sapno ko aage rakha he..

Mujhe yaad he tumhari wo har ak chummi or tumhara wo gale se lagana,

Wo ak aisa ahesas he jo jannat se bhi badhakar lagta he..

Mujhe yaad he jab hamari exam hoti he tab tumhara wo sahela na,

Ye kehna ki beta tension mat le ho jayega bar bar mathe par hath rakh kar kahena ki soja or khud jagna..

Mujhe yaad he "MAA"

રોજ પરોઢિયે મારા રહીયે આવી મેઘો
મને સતાવે છે.....

બધાંની સાથે તું પણ સૂતો, એમ વ્યંગ
કરી ને મને જગાડે છે.....

મેં પણ કહ્યું કે શું આ કોઈ ખરો સમય છે
આવવાની તારો.....

એણે કહ્યું ગમે ત્યારે આવું તું તો ખાસ
ભાઈબંધ છે મારો.....

એવામાં નીજળી રાણી બોલ્યા શું કર્યું
આપણા આટલા વિરહ માં.....

મેં કહ્યું દેવી દુઃખ ના પૂછો, ઘણા ગરમ
(ગરમીના) અંગાર છે સહા.....

વાતો માં ઘણું હાસ્ય ફેલાયું, પણ એનું
હાસ્ય કંઈક બચાનક રેવાયું.....

મારા વિરહ ને સંપૂર્ણ કરી ને મારે કાજ
આજ એને ઘણું કંડુ ફેલાયું.....

ઘણી બધી વાતો બાદ કરી વિદાય ની
એ વસમી ઘણા આવી.....

ચોક્કસ સમય બાદ એક ચોક્કસ
સમયે ફરથી મળીશું એવી ખાતરી
અપાવી.....

રોજ પરોઢિયે મારા રહીયે આવી મેઘો
મને સતાવે છે.....

હવે બધાંની સાથે તું સુઈ જા, એમ
વડાલ કરી ને મને સુવડાવે છે.....
