

WORLD PHARMACIST DAY CELEBRATIONS

29th September 2022

Venue: Saraswati Institute of Pharmaceutical Sciences

Faculty Coordinators: Ms. Heena A. Chokshi, Mr. Sohansinh Vaghela

The Turkish Pharmacists Association proposed that World Pharmacists Day be observed yearly on September 25 during a council meeting of the FIP (International Pharmaceutical Federation) Congress in 2009 in Istanbul, Turkey (the day that FIP was founded in 1912). The United Council unanimously agreed to this request, and as a result, world pharmacist day has been observed globally since 2010.

The goal of World Pharmacists Day is to support initiatives that advocate for and promote the contribution of pharmacists to global health improvement. Transforming global health is the annual event theme at the Saraswati Institute of Pharmaceutical Sciences in Dhanap-Gandhinagar. On September 29, 2022, Saraswati Institute of Pharmaceutical Sciences observed World Pharmacist Day with the theme “Pharmacist United in Action for a Healthier World”

The event was sponsored by Youth Development Pharmaceutical Association (YDPA) and a joint initiative of Association of Pharmaceutical Teachers of India – Gujarat State Branch and Saraswati Institute of Pharmaceutical Sciences Alumni Association (SIPSAA). This included the organization of events like a health awareness rally, health check-up camp, pharma marketing, pharma quiz and pharma rangoli. In order to raise awareness among the villagers the institute planned a rally in the nearby village Dhanap and Dr. Tejal R. Gandhi (President of APTI-GSB, Principal, Anand Pharmacy College) inaugurate the rally. The villagers' blood pressure, diabetes, and BMI were measured in the health screening camp. Dr. Kunjan Patel (M.B.B.S, Zydus Hospital) and Pharm.D. students then provided disease-related patient counselling. Alumni of the institute Ms. Komal Patel (Assistant Professor Department of Quality Assurance, A-One Pharmacy Collage, Ahmedabad), Mr. Maulik Dobria (Managing Partner, Neozen Healthcare LLP, Ahmedabad), and Mr. Devendra Patel (Managing Partner, Anycure Pharmacare, Ahmedabad) were invited to serve as judges at this event. Mr. Krishnakant G. Bhalodia (Founder & Managing Director – Zeon Biotech), a successful entrepreneur, gave a speech titled "Motivational Session by Successful Entrepreneur/Start-up". The students engaged in the entire programme with great enthusiasm. The pharmacist oath was taken by all to pledge their dedication to enhancing the pharmacy. This year, the college held six different events under the banner of "Pharmacist United in Action for a Healthier World" which was provided by the pharmacy council of India.

1. Rally
2. Awareness Camp
3. Pharma Marketing
4. Social Media Campaign
5. Pharma Master Minds
6. Pharma Rangoli Competition

The judges assessed each and every event.

Students were encouraged by the reward of First, Second and Third Prize and certificate were distributed by the institute. Event ended with the vote of thanks.
