Report

An expert talk was arranged by Saraswati Institute of Pharmaceutical Sciences on the topic “Doctrine of Signature”

Dr.K.Mruthunjaya had started the session with ‘Key to success” In which he explained various approaches like Knowledge, attitude, contacts etc to get professional success.

Further, he continued with the topic ‘Doctrine of Signature” He discussed the examples of Tomato, Brahmi, Shatawari, Peanuts, Carrot, Walnuts etc to explain the theory of Doctrine of signature. He explained that the resemblance of shape of the plant part with the organ of human body & the use of that part in the treatment of that specific organ.

The session was interesting, informative & knowledge enhancing for the participants.
