**A Report on Tree plantation on 23/07/2024 at Saraswati Institute of
Pharmaceutical Sciences**

College Name: Saraswati Institute of Pharmaceutical Sciences

Event Name: Tree plantation

Report of Event: The tree plantation initiative was conducted by NSS volunteers and teaching faculty, with encouragement from Principal Sir. The event was organized to promote environmental awareness and sustainability within the youth community. Participants gathered on 23/07/2024, equipped with various saplings provided by the local horticulture department. The planting took place on the collage grounds. Each volunteer was responsible for planting and caring for specific saplings, ensuring proper planting techniques were followed. The event included a brief educational session on the importance of trees in combating climate change, improving air quality, and providing habitat for wildlife.

Outcomes of Event:

The tree plantation event successfully resulted in the planting of various young trees, saw high levels of participation from both NSS volunteers and faculty members, fostering a strong community spirit. This effort not only beautified the collage and its surroundings but also heightened environmental awareness among participants. Students, in particular, gained hands-on experience in environmental conservation, which enhanced their understanding of ecological balance and the importance of sustainable practices. Follow-up plans for regular watering and maintenance have been established to ensure the saplings thrive, securing long-term benefits for the environment and the community.
