A Report on World AIDS day Awareness on 29/11/2024 of Saraswati Institute of Pharmaceutical Sciences

College Name: Saraswati Institute of Pharmaceutical Sciences

Event Name: **World AIDS day Awareness**

Report of Event:

The AIDS Awareness Campaign at Saraswati Institute of Pharmaceutical Sciences (SIPS), organized by NSS students, aimed at educating students and faculty about HIV/AIDS, its symptoms, transmission, and preventive measures. The campaign emphasized the importance of safe sexual practices and regular HIV testing. Educational sessions were conducted to explain the difference between HIV and AIDS, how the virus is transmitted, and the significance of timely diagnosis and treatment. The overall goal was to spread knowledge, reduce stigma, and encourage open discussions on the topic.

Outcomes of Event:

The program helped students get a better awareness of HIV/AIDS, prevention, and the need of decreasing stereotype. They became more aware of safe practices and the significance of early detection through regular testing. The campaign successfully encouraged active participation in discussions and creative expressions, with many students committing to spreading awareness and practicing safer behaviors. Students also expressed greater empathy and support for individuals living with HIV/AIDS.
