A Report on World Pharmacist Day on 25/09/2024 of Saraswati Institute of Pharmaceutical Sciences

College Name: Saraswati Institute of Pharmaceutical Sciences

Event Name: World Pharmacist Day

Report of Event: The NSS Unit of SIPS, in association with the Gujarat State Pharmacy Council, celebrated World Pharmacist Day on 25th September 2024 with great enthusiasm and active participation from students. The theme of the event was "Pharmacists: Meeting Global Health Needs", highlighting the crucial role pharmacists play in healthcare worldwide. This annual celebration aimed to acknowledge the valuable contributions of pharmacists and to promote their essential role in improving patient care and outcomes.

Various competitions were held, including a Pharma Quiz, which tested student's pharmaceutical knowledge, and Pharma Rangoli, where creative designs depicted pharma-related themes. Students also participated in a Pharma Poster Presentation, showcasing innovative ideas in pharmacy, and a Pharma Essay Writing event, expressing thoughts on pharmacists' role in global health. Pharma Slogan Design.

Outcomes of Event:

The event saw a highly enthusiastic participation from the students, showcasing their creativity, knowledge, and passion for the pharmacy profession. Each event provided a unique platform for the students to express their understanding of the theme and to demonstrate their skills in various pharmaceutical topics.

- **Knowledge Enhancement:** The Pharma Quiz and Essay Writing events significantly improved the participants' knowledge of the global role of pharmacists, enabling them to appreciate the broader impact of the profession.
- **Creativity and Innovation:** The Pharma Rangoli and Poster Presentation encouraged students to think creatively and innovatively about pharmacy and its future developments. Their presentations and designs reflected a deep understanding of pharmaceutical principles. Through the Slogan design competition, students learned the importance of promoting the role of pharmacists in healthcare, while improving their communication skills and raising awareness about the profession.
