Report

A guest lecture on “Guidance for Foreign Education” was conducted at Saraswati Institute of pharmaceutical Sciences to provide students with insights into pursuing higher studies abroad. The speaker discussed various popular study destinations such as the USA, Canada, UK, Australia and Germany, highlighting their education systems, benefits and career opportunities. The session covered important aspects like admission and licensing procedures, including entrance exams such as IELTS, TOEFL and GRE, along with visa requirements and necessary documentation like SOPs and LORs. Guidance was also given on selecting appropriate courses based on students’ interests, career goals and global job market demand. Additionally, financial planning, including tuition fees, scholarships and part-time work opportunities was explained. The lecture concluded with an interactive session where students clarified their doubts, making the event highly informative and helpful for those planning to study abroad.

The session was informative and useful for students who are interested to make career in Canada & other developed Countries.
