Report

An expert talk was arranged by Saraswati Institute of Pharmaceutical Sciences on the topic **Hospital Pharmacy Services & Drug Safety**.

The talk was delivered by **Mr. Sanket Shah Sir**. The guest lecture was conducted to enhance understanding of hospital pharmacy services and ensure safety and effective use of medications in clinical practice. The session focused on developing practical awareness of medication handling, dispensing practices and drug safety protocols. The lecture was informative, practically relevant, and well-structured. It will helped students to improve their understanding of medication use, identifying drug-related issues and highlighting the pharmacist's role in ensuring patient safety. The practical insights shared by the speaker made concepts like medication safety, dispensing accuracy and patient care more clear and applicable in hospital settings. The session was highly beneficial for students to understand importance of hospital pharmacy services and drug safety.
