Report:

The Janmashtami celebration at Saraswati Institute of Pharmaceutical Sciences was a vibrant and joyous event, organized by the students with great enthusiasm and devotion. The celebration marked the birth of Lord Krishna and was held on 23 August 2024 (Friday) by 03:45 p.m. in the college. Which was beautifully decorated with flowers, lights and traditional Indian motifs.

The event began with a traditional lamp-lighting ceremony, followed by a prayer to Lord Krishna. Several groups of students performed classical and folk dances. The "Raas Leela" dance was the highlight of the event, featuring colorful costumes and well-coordinated choreography. The most exciting part of the celebration was the "Dahi Handi". Teams of students formed human pyramids to break the earthen pot filled with curd, hung at a considerable height. The event concluded with the distribution of "prasad" (holy offering) to all the attendees. The prasad included sweets and savories traditionally associated with Janmashtami, such as "Peda," "Makhan Misri," and "Panchamrit." The event was completed by playing Raas - Garba.
