**A Report on Tree plantation on 04/07/2025 at Saraswati Institute of
Pharmaceutical Sciences**

College Name: Saraswati Institute of Pharmaceutical Sciences

Event Name: Tree plantation

Report of Event: The tree plantation initiative was conducted by NSS volunteers and teaching faculty, with encouragement from Principal Sir. The event aimed to raise awareness about environmental conservation and promote sustainable practices among the youth. On 04/07/2025, participants assembled with various saplings provided by the local horticulture department. The plantation activity took place on the college campus, featuring plants such as rose, hibiscus, tulsi, oleander, and Neem. Each volunteer was assigned specific saplings to plant and nurture, following proper planting methods.

Outcomes of Event:

The tree plantation event successfully resulted in the planting of various young trees, saw high levels of participation from both NSS volunteers and faculty members, fostering a strong community spirit. This effort not only beautified the college and its surroundings but also heightened environmental awareness among participants. Students, in particular, gained hands-on experience in environmental conservation, which enhanced their understanding of ecological balance and the importance of sustainable practices. Follow-up plans for regular watering and maintenance have been established to ensure the saplings thrive, securing long-term benefits for the environment and the community.
