College Name: Saraswati Institute of Pharmaceutical Sciences

Event Name: Joy of Giving – Light Up a Life

Report of Event:

The institute commemorated the “Joy of Giving – Light Up a Life” event on 16th and 17th October 2025, celebrating the spirit of kindness, compassion, and social responsibility among the National Service Scheme (NSS) volunteers. The event aimed to support underprivileged children and needy families during the festive season of Diwali by encouraging donations and acts of kindness.

The donation drive was organized within the SIPS campus, where NSS volunteers actively collected contributions from students, faculty, and staff. The collected items included clothes, toys, books, stationery, and small financial donations. Volunteers later distributed these collected items across Naroda area, Idar area, and Himmatnagar area, bringing happiness and festive joy to several families.

The event beautifully reflected the theme “This Diwali, Light Up a Life,” inspiring everyone to celebrate Diwali not only with lights and sweets but also with compassion and giving. The enthusiastic participation of students and staff demonstrated the true spirit of service and community care, which lies at the heart of the NSS mission.
