## 4. MESSAGES

### 4.1. INDUSTRIAL PERSON

**Mr. Mohammad Jamal**

**Director,**

**PAK Pharma, Peru**

**Western South America.**

Dear Students, it gives me a pleasure to write a short message to you in this opportunity, just to congratulate to all of you for taking this educational way, where you will become a professional in pharmaceutical sciences and have many opportunities for job in future, just contributing with the society applying all your knowledge learned in this prestigious Institute. Remember that being a health professional requires a lot of commitment and dedication, and although obstacles will arise sometimes, I am sure that you will face it successfully, because you will be prepared for it.

My message to the Institute is that, please continue with your excellent teaching job, because good students come from good houses of study, just where it trains students with strong knowledge, strong values and many desires to continue learning day by day.

My best wishes to the Institute, faculty and students.

Best Regards

**Mr. Mohammad Jamal**

## 4.2. PARENTS

**Mr. Sanjay H Dixit**

**Associate Vice President - Logistics & Distribution.**

**Intas Pharmaceuticals Ltd.**

**(Father of Om Dixit – 3rd Year Pharm.D)**

Respected Faculty Members, Parents and all students at SIPS.

Today, it's a proud moment for me and my family members, while sharing our feeling with SIPS Family through "AVLOKAN". SIPS has brought a new height, light, dimension and dreams to our family members and we proudly say that my Son Is student of SIPS.

I and my family, visited many institutes before taking final call on carrier planning and admission of my son. Basis multiple discussions on various parameters, we took a final call and decided to attach my son with SIPS as GURUKUL not a college, for his higher education and carrier growth.

Today, while looking towards back and reviewing the decision of his admission at GURUKUL - SIPS, we, family members acknowledged the same as "A RIGHT CALL at RIGHT TIME with RIGHT GURUKUL "with very much proud.

The most important matter which plays a KEY role in admission process at SIPS and noticed by me is, Management is insisting for one-to-one discussion with Student to analysis his / her capability and keenness for higher studies, just not as, what parents are looking and thinking for!!

I would like to acknowledge that, journey of last 03 years of my son's attachment with GURUKUL SIPS, including very tough time of PANDEMIC, SIPS has maintained all high standards to support the students in total for all parameters which are required for their academic development, knowledge updating, individual growth / carrier building, social responsibility in terms of development, leadership as well enlightening and many more.

AVLOKAN, an E- Newsletter, as well as other platforms used by SIPS to get connected with students and parents are remarkable and appreciable.

Wishing all students for their bright carrier and future.

Thanking very much to Team SIPS for providing such a great platform, environment and support to students and providing me the opportunity to share my feelings.

वंदन सर्व गुरुजनो ने.

**Mr. Sanjay H Dixit**

### 4.3. ALUMNI

**Mr. Vipul Patel**

**Deputy Manager – Formulation & Development**

**Avery Pharmaceuticals Private Limited, Sanand, Ahmedabad.**

**M.Pharm Alumni (2013 Passout)**

It's quite an amazing feeling to share my experience of SIPS via "AVALOKAN", the SIPS Magazine. SIPS is always emotional part of my life. Reason of that is SIPS had played a VITAL role to shape my carrier. I have joined SIPS as a M. Pharm. student in 2013. I am doing Masters in Pharmaceutics Department. Our HOD was Dr. Dhaval Patel at that time. I am feeling very lucky to have a such mentor and guide during masters. Dr. Dhaval Patel treat every student in such a way that the students didn't fear for any work and always give solutions in any situation. I can proudly say that the completion of master in pharmaceutics is a normal thing but under the mentorship of Dr. Dhaval Patel, Its quite amazing experience. SIPS have a fully equipped laboratory and have all the basic as well as key equipment in all laboratories. During the journey we have enjoyed a lot during sports day, Garba celebrations, Teachers Day, various competitions and day celebrations. All the technical and non-technical staff are very co-operative and supportive. I also thankful to Dr. Ankit Chaudhary Sir. I remembered a day of semester-3 when i was hospitalised for a week and same time college fees deadline is missed by me. But Dr. Ankit Chaudhary Sir give me extension in fees deadline and give moral support to come out that situation. Many more good memories are there but due to limitations not able to discuss all.

I am thankful to Dr. Dhaval Patel for providing me this opportunity to write this article for my college. My heartly best wishes to this institute to play a vital role in development of career of Pharmacy Students.

**Mr. Vipul Patel**

### Report:

Keeping in mind the current corona pandemic situation, recently Saraswati Institute of Pharmaceutical Sciences (SIPS), Dhanap encouraged students to actively participate in covid duty, initiated by Gujarat State Pharmacy Council (GSPC) and Pharmavision Aayam, ABPV and Federation of Gujarat state chemist and druggist association.

After Ahmedabad saw one of the worst outbreaks, the Ahmedabad Municipal Corporation (A.M.C) launched a series of initiatives time to time. One of which is “Sanjeevni Rath”. It has been developed to check up on covid patients who are self-isolating in their homes. The city has been divided into seven zones/jurisdictions and each zone has been demarcated into ten-twelve Urban health centers, L.G. hospital and SVP hospital. Each team has been allotted a vehicle along with driver, which is used for this helpline to reach the patients at their doorsteps. Total 44 students (27 Pharm.D students and 17 B.Pharm students) of SIPS actively participated and were sent to L.G Medical College and hospital, Maninagar for this noble cause. Students were divided into 2 teams, Team 1 consisted of 25 students who gave duty from 18/01/2022 to 26/01/2022 (9 days) and Team 2 consisted of 21 students who gave duty from 27/01/2022 to 01/02/2022 (6 days). The timings for the duty were from 8:00 AM to 1:30 PM. Students were given training for 3 days under assigned teams consisting of doctors, medical officers and MBBS interns. Later on they had been assigned individual team to carry out their duties in their respective zones and UHC’s. The students along with the doctor or a paramedic visit the quarantined patient’s house every alternate day and check the patient for fever, appetite, breathlessness, fatigue and headache among other symptoms. Students also check the pulse rate, temperature, blood pressure, SPO2 levels of the patients and provide them with medicines if required as per their symptoms. Each of our students used to visit minimum of 12 patients daily. On an average, students from our college interacted with over 4212 patients in a period of 15 days. SIPS had given certificate of honor to all participating students for their contribution to the society.

When asked, the students responded that it was a very useful opportunity for them as they learned many things like patient counseling, how to deal with different kind of patients and gained a wide practical knowledge. Hence the institute gave a golden opportunity to students to gain on field experience in these hard times, the overall initiative was recommendable. Students also did a great job and were appreciated by many pharmacy officials for their work, precious involvement and contribution towards this service. Events like these helps the students to grow and achieve new milestones and should be conducted more often.

## 20. NATIONAL LEVEL WEBINAR

**Date of Event:** 30/06/2022

**Title of Event:** Validation and Data Integrity in Pharmaceutical

Industry

**No. of Participant:** 375

Saraswati Institute of Pharmaceutical Sciences, Gandhinagar organized a one day national level Webinar on " Validation and Data Integrity in Pharmaceutical Industry", in association with IQAC Saraswati Institute of Pharmaceutical Sciences (SIPS) & Saraswati Institute of Pharmaceutical Sciences Alumni Association (SIPSAA) Dhanap, Gandhinagar on 30<sup>th</sup> June 2022. 78 faculties, 07 principals of pharmacy Institute and 8 industrial personals are present in webinar. Total of 375 participants actively participated in this program. The program featured lecturers from across the country that provided excellent guidance to the delegates. Institute used to arrange this type of webinar to bridge the gap between academic and industry. All speaker were invited from Renowned pharma industries.

**Welcome of Speakers:** This program was started on 30th June 2022 at 9:30 AM. The program was moderated by Charmy D. Pandya and Bhoomi D. Patel, Assistant Professor of the Institute. In the inauguration ceremony, the principal of the institute Dr. Ankit B. Chaudhary introduced the speakers at the inauguration and welcomed all the delegates those who participated across the country.

**Session 1:** The first session of this program was conducted by Dr. Hareshkumar Patel (Senior Manager-II, R&D Sun Pharmaceutical Industries). The speaker was introduced by Charmy D. Pandya. The speaker given a very informative lecture on "Computerized System Validation in Pharmaceutical Industries". In this lecture Software validation and its responsibilities was explained in a simple way and the basic details about it was explained to the delegates

in great detail. Doubt of delegates was cleared by speaker in Q and A session. The vote of thanks was delivered at the end of the session by Charmy D. Pandya.

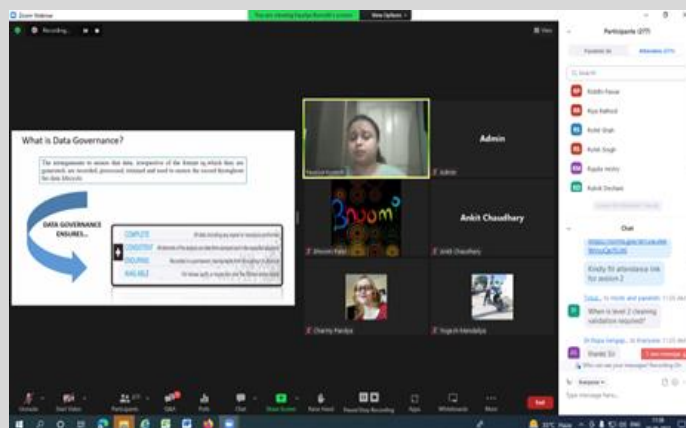

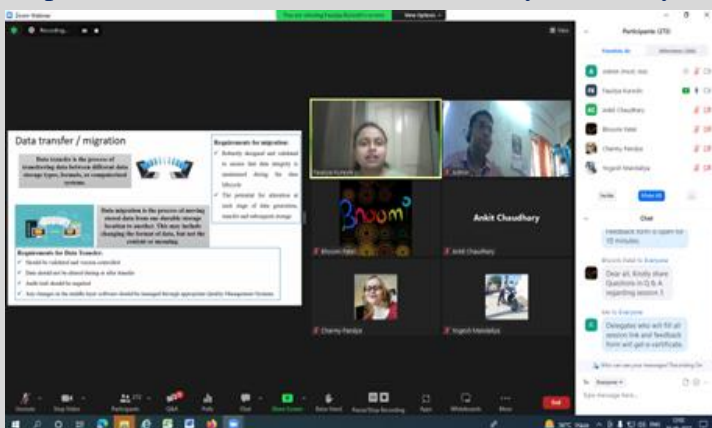

on "Industrial Approach on Cleaning Validation". In which he did special discussions on types of cleaning validation and matrix approach in a very simple language. Doubt of delegates was cleared by speaker in Q and A session. The vote of thanks was delivered at the end of the session by Charmy D. Pandya.

**Session 3:** In the third session of the day, Ms. Fauzia Khureshi (Subject Matter Expert & Corporate Trainer Veeda Clinical Research). The speaker was introduced by Bhoomi D. Patel. The speaker given a lecture on "Importance of Data Integrity in Pharmaceutical Industries". She explained very nicely on application of data integrity principle and data transfer. Doubt of delegates was cleared by speaker in Q and A session. The vote of thanks was delivered at the end of the session by Bhoomi D. Patel.

All three sessions of the program were successfully completed with the conclusion of this session.

**Vote of Thanks:** Vote of thanks was delivered by the Dr. Navneet F. Chauhan, (Associate Professor, Department of Pharmaceutical Chemistry & Quality Assurance).

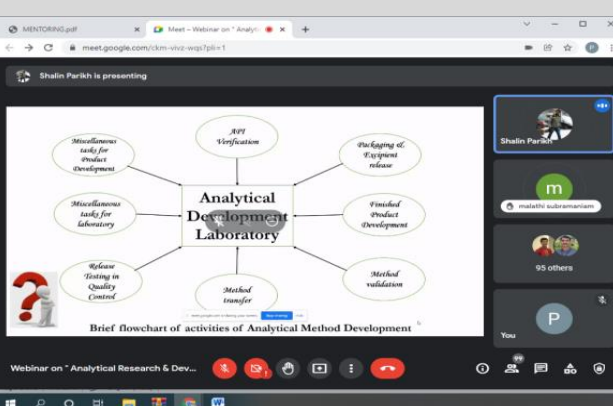

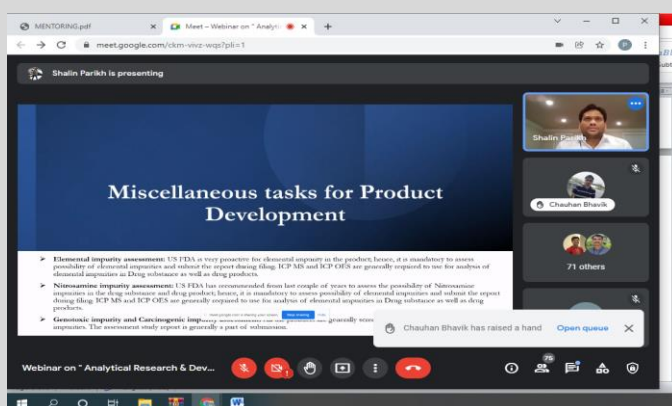

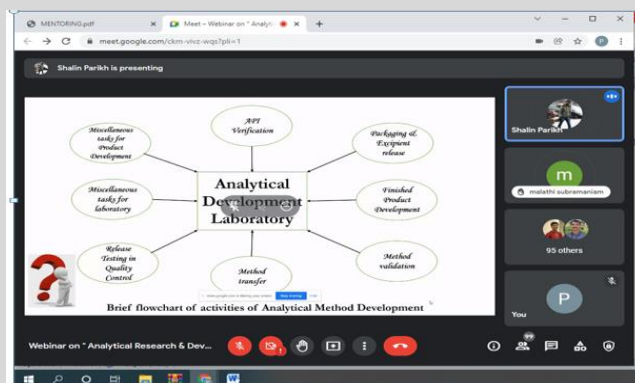

## 21.1. GUEST LECTURE/WEBINAR

Name of Speaker	Mr. Shalin Parikh Senior Manager, Analytical Research & Development Aavis Pharmaceuticals, Atlanta, Georgia, USA.
Topic	Analytical research & development prospects in the pharmaceutical industry
Date	22/01/22
Time	11:30 am - 12:45 pm
No of Participants	102

A national level webinar on “Analytical Research & Development Prospect in the Pharmaceutical Industry” was organized by Saraswati Institute of Pharmaceutical Sciences on 22<sup>nd</sup> January, 2022. Very informative session was delivered by Mr. Shalin Parikh, Senior Manager, Analytical Research & Development. Aavis Pharmaceuticals, Atlanta, USA. Participants from academia & industry have taken benefit of the webinar, Faculties & students of Saraswati institute also joined. He shared his knowledge regarding Analytical method development & validation. He explained step by step protocol from procuring the raw material to in process quality control as well as validation of analytical method for finish product. He also focused on method transfer its requirements, inventory control. The session would be very helpful to all, those participants who are associated with the field of method development & validation.

## 21.2 GUEST LECTURE

Name of Speaker	Dr. Yogesh Patel Public Relation Officer, Kadi Sarva Vidhyalaya, Gandhinagar
Topic	Career building & opportunities various foreign countries
Date	03/03/22
Time	02:00-03:00pm
No of Participants	64

A guest lecture on “Career building & opportunities various foreign countries” was arranged by Saraswati Institute of Pharmaceutical Sciences on 3<sup>rd</sup> March 2022..

The session was started by the team member of Dr. Yogesh Patel with relaxation meditation,

Followed by Very interactive lecture of Dr. Yogesh Patel, P.R.O. of Kadi sarva vidyalay kelavani mandal & Co founder of Uniq Synergy. He explained very well about the personality building & its importance in a successful career making. He discussed various topics related to further studies, list of universities and their eligibility criteria and scholarship availability for admission processes with fees structure in countries like Canada, USA and Australia.

He also focused on various domains for career option like pharmacy technician, Quality Assurance, Research and Development, Biotechnology, Pharmacy assistance, Healthcare administration, management etc. The session was informative and useful for students who are interested to make career in foreign countries.

## 21.3 GUEST LECTURE

Name of Speaker	<b>Dr. Stephen Kerr</b> Interim provost for international affairs & Professor, Massachusetts College of Pharmacy & Health sciences, Boston, U.S.
Topic	Principles of medicinal chemistry
Date	08/03/22
Time	1:45-2:45pm
No of Participants	120

A guest lecture on “Principles of Medicinal chemistry” was arranged by Saraswati Institute of Pharmaceutical Sciences on 8<sup>th</sup> March, 2022.

Very informative and conceptual session was delivered by Prof. Dr. Stephen Kerr, Massachusetts College of Pharmacy & Health sciences, Boston, U.S.

Dr. Kerr discusses the concept of nomenclature, solubility, ADME profile from the structure of the drug by taking the example of Ibuprofen. He also discussed the general concept of Medicinal Chemistry. Dr. Kerr & his associate Mr. Akash Bablani also focused on career options after B.Pharm and Pharm.D in various universities of U.S. He also discussed the availability of various scholarship and fees structure for various courses. The session was informative and interactive and useful to understand the principles of Medicinal chemistry.

## 21.4 GUEST LECTURE

Name of Speaker	Dr. R. K. Maheshwari Professor, (Ex-Head), Pharmacy Department, S.G.S.I.T.S. Indore, Madhya Pradesh.
Topic	Echo friendly techniques using hydro trophy, mixed hydro trophy & mixed solvency concept
Date	06/05/22
Time	10:00 am -12:00 pm
No of Participants	110

An expert talk was arranged by Saraswati Institute of Pharmaceutical Sciences on the topic “Echo friendly techniques using hydro trophy, mixed hydro trophy& mixed solvency concept”. Dr. R. K. Maheshwari, the speaker of the session delivered the talk explaining the concept of hydro trophy, mixed hydro trophy & mixed solvency as well as its applications in the dosage form formulation & pharmaceutical analysis. He explained the replacement of hazardous organic solvents with comparatively cheap & safe hydrotropic solvents. He shared his knowledge of mixed hydro trophy with suitable examples. He also enlightens the future scope of the concept.

The session would be very useful to all those participants, who want to do research associated with the concept.

Insaan me dard ka,  
Dard me Amar tha,  
Amar meri rooh thi,  
Mara mera mann tha.  
Duniya yeh katheen,  
In shabdo ko matlab de,  
Yeh awaze jo uthe,  
Unhe Apna Kal de.  
Umar kuchh aesi khoon inka kholta,  
Kachi inki raah,  
Lekin Roshan unka safar tha.
