## **Our Vision**

Our Institute is committed to providing quality education and training by creative faculty resources with excellent infrastructure facilities.

## **Our Mision**

To become a premier center of academic and technological excellence in pharmaceutical education and research.

Dear Readers,

It is with great pleasure that I present the 14th Issue of our newsletter, encompassing events from June to December 2024. During this period, significant progress was achieved in academic, research, co-curricular and extra-curricular activities. Numerous scientific programs, placement workshops, and celebrations have been organized, contributing to the holistic development of our students.

A notable highlight is robust portfolio of research, which reflects the dedication and expertise of our faculty and researchers. Our students have also excelled in national-level examinations in addition to demonstrating outstanding achievements at the GTU. Our research endeavors continue to be exemplary, with a substantial number of research and review papers being published in esteemed peer-reviewed journals. One of our faculty member and his team have also been selected to present their start up on a prestigious international platform.

SIPS innovation ecosystem is flourishing, with start-ups, securing prizes and grants. The number of MOUs signed to enhances collaboration and support for students and incubators.

I sincerely appreciate the dedication of the Editorial Board members of "Avalokan" who have contributed to an extensive documentation of our milestones. Collectively, we anticipate even greater achievements in the future.

Best Wishes,

Dr. Ankit B. Chaudhary  
Principal

## Industry Person

It is my extreme privilege to express my thoughts and opinions to all SIPS students through “Avalokan”.

The path to becoming a pharmacist isn't always easy, but it is incredibly rewarding. As you look ahead, remember that pharmacy is not just a career; it is a lifelong journey of learning and service to others. You are preparing to enter a field where your expertise will be invaluable, not just in understanding medications, but in solving some of the most pressing health challenges of our time.

We at **BioMatrix** Live and work with the set of company values “**Honesty, Integrity, Dedication and Hard Work**”. Within a short period of time, we have developed a vast network of business associates across the world. By putting our values into action every day, we continue to strengthen our position in the pharmaceutical industry.

The work you do today lays the foundation for healthier communities tomorrow. Keep learning, stay curious, and always practice with empathy and integrity. The world needs your expertise, now more than ever.

I congratulate the SIPS Team and convey my best wishes to all the students, faculty and other members affiliated to the institute.

## Parent

Having interacted with numerous academic institutions as a physician, my recent experience at Saraswati Institute of Pharmaceutical Sciences was particularly notable. During a free health campaign for students and faculty, I was impressed by the campus's vibrant atmosphere and the administration and students' genuine concern for community well-being.

The college staff provided excellent logistical support, ensuring the event's success. Students demonstrated enthusiasm and respect, mirroring the college's wellness culture and commitment to health education. Well-maintained facilities, especially the modern medical and science labs, underscored the institution's dedication to world-class education. Furthermore, the knowledgeable and approachable faculty were devoted to student development.

Saraswati Institute of Pharmaceutical Sciences excels in fostering a strong community, challenging students academically, and supporting their personal and professional development. I look forward to returning to provide further support and anticipate future initiatives.

I highly endorse Saraswati Institute of Pharmaceutical Sciences for its rigorous academics and supportive community focused on student well-being.

## Alumni

I would like to thank the Saraswati Institute of Pharmaceutical Sciences-SIPS for their guidance during my B. Pharm studies (2007-2011). Those four years were invaluable, providing a platform to showcase my talents and helping me develop self-confidence. The faculty, students, and staff significantly contributed to my interpersonal skills and professional growth, making me a better human being. I am eternally grateful for the support from the institute.

**Mr. Pratik N. Adhvaryu: B. Pharm (2007-2011)**
