SCIENCES, GANDHINAGAR, GUJARAT**
Re-Accredited by:
National Board of Accreditation – NBA (B. Pharm 2024-27)

JULY-DECEMBER 2025 VOLUME: 8 ISSUE: 1

Our Vision:

Our Institute is committed to providing quality education and training by creating faculty resources with excellent infrastructure facilities

Our Mission:

To become a premier centre of academic and technological excellence in pharmaceutical education and research.

Dear Reader,

In the **15th edition** of our newsletter, we spotlight significant advancements in academic, research, co-curricular, and extracurricular activities from **July to December 2025**.

This includes a variety of scientific programs, placements, workshops, and celebrations. A major highlight is our exceptional research portfolio, showcasing the dedication and expertise of our faculty and researchers. Our students have excelled in national-level exams and achieved remarkable success at the GTU. Our research efforts remain exemplary, with numerous research and review papers published in esteemed peer-reviewed journals. Additionally, one of our faculty member and his team has been selected to present their startup on a prestigious international platform. The SIPS innovation ecosystem is thriving, with startups receiving awards and grants. Several MOUs have been signed to enhance collaboration and support for students and incubators.

I am sincerely grateful for the commitment of the Editorial Board members of "**Avalokan**," who have been instrumental in documenting our achievements. Together, we anticipate even greater successes in the future.

Best Wishes,

Dr. Ankit B. Chaudhary
Principal

MESSAGE

Industry Person

I thank the SIPS editorial team for publishing "AVALOKAN", E-Newsletter, highlighting the pharmaceutical sector's future importance for students. Your dedication and hard work have created a resource to inspire and guide future Pharma professionals. You stand at the edge of healthcare and pharmaceuticals transformation. The world is changing rapidly, and the Pharmaceutical & Research sector's role is becoming more crucial as you enter a field that will shape global health and innovation. Medicines are central to disease prevention and treatment, providing life-saving drugs and vaccines that protect millions, where your contribution will impact public health worldwide. With expanding R&D, biologics, personalized medicine, and regulatory requirements, pharma companies need formulation scientists, regulatory specialists, and quality experts, offering strong career opportunities globally. You are entering when science and technology create breakthroughs, and as a pharmacist, you can contribute to India's global health leadership. Pharmacy plays an essential role in healthcare. Working in pharma is a mission - every formulation you develop, every clinical trial you assist in, and quality check you perform can save lives and improve patient outcomes.

Mr. Vijay Shah
Chairman,
Stallion Laboratories Limited,
Ahmedabad, Gujarat.

Alumni

It is an honor to share my thoughts as an alumnus of **Saraswati Institute of Pharmaceutical Sciences (SIPS)**, which shaped my academic and professional life. My four years at the institute (2008-2012) were transformative. The institute built my foundation in pharmaceutical sciences while instilling confidence and discipline. SIPS have been more than an institution. Though 13 years have passed, memories remain fresh. The faculties, including Ankit sir, created an engaging learning environment. Their guidance helped me pursue higher education at NIPER-Hyderabad for my master's (2013-15). The values learned at the institute continue to guide my career. After working with MSD, Eris Life Science and Zydus, I now serve as marketing head at Corona Remedies, built on SIPS's foundation.

I'm proud to see the institute's growth in infrastructure and academics, including initiatives like Avalokan. The institute's commitment to holistic development and quality education is commendable. I thank my teachers and the SIPS family for shaping my professional journey.

I wish current students' success as they explore opportunities at SIPS. With dedication, they can build rewarding careers in pharmaceuticals. Wishing SIPS continued growth ahead.

Warm Regards

Mr. Ronak Agrawal
Marketing Head,
Corona Remedies
Ahmedabad, Gujarat.

Parent

The college provides an excellent learning environment focusing on academics and personality development. Well-qualified teachers explain subjects clearly, helping students understand better. The college maintains discipline, ethics and motivates students through regular monitoring of attendance and progress. Seminars and workshops help build communication skills and practical knowledge. Clean laboratory facilities with proper equipment give students hands-on experience for professional work. The institute shapes students into confident, skilled individuals. I appreciate the efforts of Principal, teachers and staff. I am proud my child attends this college.

Wishing the institution success in producing talented professionals.

NSS ACTIVITIES

- The NSS Unit of SIPS organized a **Tree Plantation Drive** on **July 4th 2025** to promote environmental conservation and sustainable practices among students. They planted various medicinal plants at medicinal garden of SIPS.
- A one-day **NSS Orientation Program** was organized on **August 08th 2025** at **SIPS Gandhinagar, Gujarat**, with the participation of **140 students** and **4 faculty members**. The session aimed to introduce students to the objectives and importance of the National Service Scheme.

- In honor of **World Population Day** on **July 11th 2025**, the NSS Unit of SIPS held essay writing and drawing competitions to raise awareness of the consequences of overpopulation and inspire students. Students enthusiastically participated in the essay competition, which had as its theme "Solutions to Overpopulation: A Step towards a Sustainable Future".

- On **July 25th 2025**, celebrate **Kargil Vijay Divas**. Students gave speeches about soldiers' bravery during the Kargil conflict in a competition titled "Kargil Vijay Divas" and "Kargil Heroes." A Patriotic Character Play depicted historical figures and their actions. The festival showcased our country's culture through songs, performances, and dances.

NSS ACTIVITIES

- On **September 25th 2025**, SIPS celebrated **World Pharmacist Day** with great enthusiasm. The event was organized around the theme “Think Health, Think Pharmacists”, emphasizing the vital role of pharmacists in global healthcare and patient outcomes. A range of competitions such as Pharma Quiz, Rangoli, Poster Presentation, Essay Writing, Slogan Designing, and Video/Reel Making were organized, offering students opportunities to demonstrate their pharmaceutical knowledge, creativity, innovation, and communication skills.

- The NSS unit organized a **Cleaning Drive** on **October 16th 2025** to acknowledge and encourage the dedicated efforts of National Service Scheme (NSS) volunteers in promoting cleanliness and environmental awareness. Volunteers actively cleaned classrooms, laboratories, corridors, gardens, and nearby areas, carrying out activities such as sweeping, waste collection, and proper segregation of biodegradable and non-biodegradable waste.

- The NSS unit organized the **“Joy of Giving – Light Up a Life”** event on **October 16th and 17th October 2025** to nurture the values of kindness, compassion, and social responsibility among National Service Scheme (NSS) volunteers. A donation drive was conducted on the SIPS campus, where students, faculty, and staff generously contributed clothes, toys, books, stationery, and small monetary donations. These items were later distributed to underprivileged families and children spreading happiness and festive cheer during Diwali.

- NSS unit organized **Gita Jayanti** on **December 1st 2025** at SIPS, Gandhinagar with devotion, preceded by an awareness program on November 19th 2025 about Bhagavad Gita's relevance in modern life. The program emphasized values like duty (karma), self-discipline, mental strength, detachment, and clarity in decision-making, encouraging students to reflect on their actions. It helped students develop moral awareness, improve value-based decision-making, and manage stress while maintaining emotional balance. The event strengthened appreciation for India's philosophical heritage and fostered unity, discipline, and collective responsibility among students.

He had presented an oral presentation on “Pharmacogenetics and nanomedicine: A pathway to precision therapeutics”.

- **Dr. Neha Raghani** participated in international conference Biotechnology and nanotechnology-ICBN 2025 organized by Department of microbiology and biotechnology IIS (deemed to be university) Jaipur, on 30th October -1st November, 2025. He had presented an oral presentation on “Nanotechnology- Driven theranostic strategies for CRISPER and CAR-T cell cancer therapy”.

STUDENT PRESENTATION

- **Dip Patel, Divya Patel** participated in Academic Decipher, Mumbai, organized by Saurashtra University Forum of Pharmacy students on 20th August 2025. They had presented an article on “Transforming Pharmaceutical Innovation through Modern and Future Direction” which was guide by Dr. Manan Sharma.
- **Amandeep, Harshil Buddhev, Dhameliya Mahi, Garima Yadav, Sane Aryan, Shah Tirtham** participated in Academic Decipher, Mumbai, organized by Saurashtra University Forum of Pharmacy students on 20th August 2025. They had presented an article on “AI in Pharmacogenomics” which was guide by Dr. Vaibhav Patel.
- **Nidhi Patel, Haya Prajapati, Purva Patel, Vruta Nayi** participated in Academic Decipher, Mumbai organized by Saurashtra University Forum of Pharmacy students on 20th August 2025. They had presented an article on “Artificial Intelligence in Precision Medicine” which was guide by Dr. Vaibhav Patel.
- **Bhatiya Utsav, Patel Het, Shah Umang** participated in Academic Decipher, Mumbai organized by Saurashtra University Forum of Pharmacy students on 20th August 2025. They had presented a article on “AI used with DNA and genomes” which was guide by Dr. Vaibhav Patel.
- **Verma Muskan, Zala Dharmendra, Suthar Dhvani** participated in Academic Decipher, Mumbai organized by Saurashtra University Forum of Pharmacy students on 20th August 2025. They had presented a article on “The Future Revolution in Cancer Care; A Paradigm Shift in Diagnosis and Therapy” which was guide by Dr. Vaibhav Patel.
- **Rawal Kajari, Sharma Anvesha, Soni Mittal** participated in Academic Decipher, Mumbai organized by Saurashtra University Forum of Pharmacy students on 20th August 2025. They had presented a article on “Transforming Clinical Decision-Making with AI-Enhanced Decision Support Systems” which was guide by Dr. Neha Raghani.
- **Pandya Khushi** participated in Pharmavision, organized by Oxford international University, Indore, Madhya Pradesh Forum of Pharmacy students on 20th and 21st September 2025. She had presented a poster presentation on “Assessment on prescription patterns, adherence and quality of life of hypertensive patients” which was guided by Dr. Vaibhav Patel.

STUDENT PRESENTATION

- **Shivang Patel** participated in Pharmavision, organized by Oxford international University, Indore, Madhya Pradesh Forum of Pharmacy students on 20th and 21st September 2025. He had presented a poster presentation on “Formulation and Evaluation of Microsponge Loaded Topical Gel of Cinnamon oil” which was guided by Dr. Dhaval J. Patel & Ms. Megha P. Patel.
- **Dhruv Thakkar, Mubarakha Bharmal, Mubarakha Kotdawala** participated in Pharmavision, organized by Oxford International University, Indore, Madhya Pradesh Forum of Pharmacy students on 20th and 21st September 2025. They had presented a poster presentation on “Scalpal and the Soliders: Crispr’s role in engineering Next Gen CAR T Cells” which was guide by Dr.Neha Raghani and Dr.Maulik Vaja.
- **Dip Patel, Divya Patel** participated in Pharmavision, organized by Oxford International University, Indore, Madhya Pradesh Forum of Pharmacy students on 20th and 21st September 2025. They had presented a poster presentation on “Advancement in pharmacy for better patient care” which was guide by Dr. Manan Sharma.
- **Jay Joshi, Shivani Gupta, Hetali Joshi** participated in Pharmavision, organized by Oxford International University, Indore, Madhya Pradesh Forum of Pharmacy students on 20th and 21st September 2025. They had presented a poster presentation on “Mutanex: AI-Driven Genetic Analysis for Affordable and personalized Healthcare toward Viksit bharaat @ 2047” which was guide by Dr.Maulik Vaja.
- **Gopika Menon, Naisergi Shah** participated in Pharmavision, organized by Oxford International University, Indore, Madhya Pradesh Forum of Pharmacy students on 20th and 21st September 2025. They had presented a poster presentation on “Cross Sectional Study on Public Knowledge,Attitude and Practice of Anti-Microbial use” which was guide by Dr. Minesh Patel.
- **Sharma Anvesha, Soni Mittal, Rawal Kajri** participated in International Conference on Biotechnology & Nanotechnology (ICBN 2025), organized by Department of Microbiology and Biotechnology, IIS (Deemed to be University) on 30th October to 01st November 2025. They had presented a poster on “Integrated Nanobiotechnology for Synergistic Cancer Immunotherapy: A review of In Situ Vaccination Advancements” which was guided by Dr. Neha Raghani.
- **Prajapati Chirag, Tamaichi Ujval R** participated in national level conference on Idea in action 2025, organized by Sharda School of pharmacy, Pethapur on 16th September, 2025. They had presented a poster on formulation and evaluation of oral fast dissolving film of Rivaroxabin using natural polymer” which was guided by Mr. Jignesh Parmar.
