

Report on Industrial Visit

Date of Visit: 15.02.2020

Place of Visit: Emcure Pharmaceuticals Ltd. (R & D Centre)

Coordinators (Faculty): Dr. Sanjesh Rathi, Mr. Sohansinh Vaghela

Participating student: 92 (B.Pharm Sem - 2 & 4, M.Pharm Sem - 2)

Report:

Pharmacy is professional course where practical knowledge is much more important along with theoretical knowledge. To percolate actual practical exposure, our institute had arranged training at various Emcure Pharmaceuticals Ltd. (R & D Centre) on 15th February 2019.

Total 76 students had participated in the industrial visit program from 2nd and 4th Sem B.Pharm & M.Pharm 2nd Sem. During industrial visit, representative of company had given very nice information about different departments such as R & D, ADL, Packaging, Manufacturing, Analytical, Quality control, Raw material, finished product and warehouse department. They correlated the study and actual working at industry and gap between the industry and institute. In this visit, the students had received extensive information about various marketed products such as tablet, capsules and injections. Students had learnt about recent GMP, FDA, WHO guideline and preparation of documents.

The students were accompanied by faculty Mr. Sohansinh Vaghela & Dr. Madhuri Pandole who guided and explained them about processing of pharmaceutical products at various Stages of visit to Pharma plant. The students were very happy and felt enriched after visiting a plant.
